

Ashoflex

ASHOFLEX

PVC FLEXIBLE HOSES

PRODUCT RANGE

- PVC HOSES FOR SUCTION AND DELIVERY
IN AGRICULTURE
- PVC DUCT HOSES
- PVC STEEL REINFORCED HOSES

Ashoflex

PVC SUCTION AND DELIVERY HOSE

● Features

- ★ Substantially lighter than multilayer, reinforced rubber hose
- ★ Excellent flexibility, no kinking
- ★ Exceptional crush resistance
- ★ Abrasion resistant
- ★ Smooth bore reduces resistance to flow
- ★ Withstands rated pressures and absolute vacuum (-700 mm of mercury)
- ★ Good resistance to various chemicals

● Applications

- ★ Irrigation
- ★ General Water Supply
- ★ Light Chemical Conveyance
- ★ Night Soil Trucks
- ★ Suction operations in Civil Engineering
- ★ Oil Transportation

Technical Specification of Suction and Delivery Hoses

Size I.D.		Minimum Bending Radius	Max.	Pressure Recommended	Working	Standard Lengths
mm	in.	mm.	kg/cm ²			mts
19	3/4	100	20	18	15	30
25	1	125	20	18	15	30
30	1 1/4	150	20	18	15	30
40	1 1/2	200	18	16	14	30
50	2	225	18	16	14	30
65	2 1/2	300	15	13	11	30
75	3	325	15	13	11	30
100	4	425	15	11	10	15
125	5	625	10	8	5	15
150	6	750	10	8	5	15

Ashoflex

PVC STEEL WIRE REINFORCED HOSE

● Features

- ★ Light in weight
- ★ Does not kink if bent on its own radius
- ★ Water proof and non-corroding
- ★ Good aesthetic value
- ★ Use of high tensile spring steel wire for reinforcement imparts strong crushing resistance
- ★ PVC coating of spring steel wire eliminates possibility of short circuits and prevents rusting
- ★ Available in standard "Gray" colour. Other colours available subject to sizable order quantity

● Applications

- ★ Electrical flexible conduiting for buildings, switch boards and panels
- ★ Machine tool wiring conduits
- ★ Vacuum Cleaner hoses
- ★ Air Ducting
- ★ Dust Extractor
- ★ Gas or cold fume removal

STEEL WIRE REINFORCED HOSES

ID mm	STANDARD LENGTH mts	ID mm	STANDARD LENGTH mts
10	30	100	5
15	30	125	5
20	30	150	5

Ashoflex

PVC DUCTING HOSE

● Features

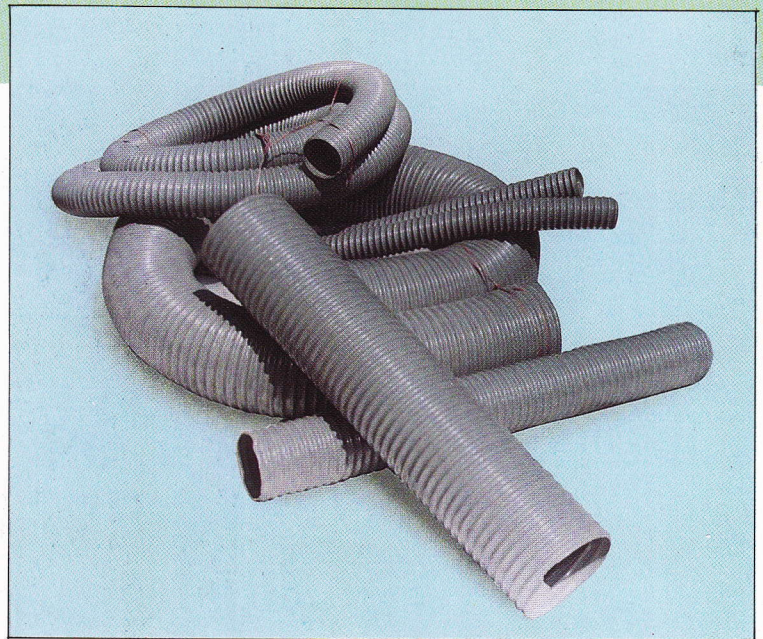

- ★ Good flexibility and easy bending reduces handling and installation problems
- ★ Flat bore reduces resistance to flow
- ★ Available in various colours★and sizes★
- ★ Good anti-aging properties for longer life
- ★ Enhanced aesthetic value
- ★ Reinforced spiral of rigid PVC lends ruggedness to the hose

● Applications

- ★ Air conditioning Ducting
- ★ Dust collection
- ★ Transport of powders/liquids
- ★ Pneumatic Transportation
- ★ Hospital Equipment
- ★ For Suction and Discharge Operations
- ★ Water Supply and Drainage
- ★ Protective covering of electrical wiring

PVC DUCTING HOSES
